

SUSTAINABLE DESIRABLE RELIABLE

"Our governance framework embeds sustainability across our operations and decision-making process."

Greg Fewer
Chief Financial and Sustainability Officer
of Aldar Properties

We aim to create a business culture where sustainability is at the heart of everything we do, and where the concept of sustainability informs the way we operate, collaborate, innovate and grow. Our responsibility towards our stakeholders, the community, and the environment will continue to drive our business decisions and long-term value creation.

ECONOMY

Aldar endeavours to contribute to a thriving economy through stable, responsible and diversified growth. This is enabled by applying the highest standards of governance, ethics and accountability – and supported by optimised, innovative operations.

COMMUNITY

Aldar is a member of its wider community and we put the priorities of these stakeholders at the heart of our decision making. Our heritage is rooted in trusted government and community partnerships that support sustainable, healthy and inclusive communities.

PEOPLE

We work to attract and retain the best talent through a culture of inclusion, growth and empowerment. We are dedicated to offering safe, healthy and fair working conditions for all employees and contract workers in line with leading international practices.

ENVIRONMENT

We practice proactive and responsible environmental stewardship throughout the lifecycle of our assets, including in the supply chain. Operating in a climate sensitive region, carbon reduction is a key priority, and we aspire to be carbon neutral over the longer term.
